

Printable Semester Grade Calculator

Instructions:

- 1. Enter your grades (%) for Semester 1, Semester 2, and the Final Exam.
- 2. Enter the weight (%) each component contributes to your final grade.
- 3. Multiply each grade by its weight and write the result in the Weighted Grade column.
- 4. Add all Weighted Grades to get your Final Semester Grade.

Category	Grade (%)	Weight (%)	Weighted Grade
Semester 1			
Semester 2			
Final Exam			
Final Grade (Total)
