

# 15 Must-Ask Questions Before Choosing a Hybrid High School

Use this checklist during school tours to ensure you're making the most informed decision. Tick each box as you confirm the information.

- ■ Is the school regionally or nationally accredited?
- ■ Will the diploma be accepted by most colleges/universities?
- ■ What curriculum options are offered (AP, IB, STEM, Arts, Vocational)?
- ■ How many AP courses are available?
- ■ Does the school offer honors-level classes?
- ■ Are there flexible learning schedules for students?
- ■ What is the average student-to-teacher ratio?
- ■ Is tutoring included or available for extra cost?
- ■ Does the school provide college counseling services?
- ■ Is there reliable technical support for online tools?
- ■ Are extracurricular activities or clubs available?
- ■ Can students take part in sports teams?
- ■ Is there a trial or short-term enrollment option?
- ■ What are the graduation requirements?
- ■ How is student performance monitored and communicated to parents?
